We have had a great start to the Summer Term with children now playing on the field and some sunshine. There is lots happening this term so please keep your eye on the Newsletter for updates on dates and events.

Who's Who?

Mrs Polley has worked at Manor since September 2017 and is one of our amazing TA's, based mainly with our children in CAIRB class. With her calm and helpful approach, she is a very popular member of the team with children, staff and parents alike.

Lifeguard Visit

On Friday last week, some lifeguards came to talk to us about being safe in the water, especially at the seaside. The children found this really interesting and asked some great questions.

Trips

With lots of exciting trips coming up this term can you please make sure that your payments are up to date. If you have any concerns regarding this please speak to the office.

Summer Term Clubs

You will soon be receiving an email to confirm your child's place in a club if you requested one. If you do not receive an email, unfortunately the club was full and we have been unable to give your child a place this time. Every child who requested a club should have been given at least one. Please speak to the office if you have any questions.

Leavers Hoodies—Year 6

Please remember to order your child's Y6 leavers hoody via the school gateway so that we can get the orders placed in good time for the end of term.
