Parents Evening

We are looking forward to our parents evening appointments next week where we are able to discuss your child's progress with you. If you haven't made an appointment yet, please contact the office. We aim to meet with all our parents.

Who's Who?

Mrs Stacey is one of our wonderful TAs who works within the Year 5/6 team. She is also our Early Help Coordinator, providing support to families who need it. She has worked at the school for over 6 years. In her spare time Mrs Stacey likes to follow Plymouth Argyle Football Club.

School Start Times Reminder

Please remember the school doors open at 8.35am and registration will start at 8.40am. After 8.40, children will be recorded as late. After 8.55am this will count as a half day unauthorised absence. Valuable learning takes place during this time, and lateness not only disrupts the child who is late but also their class and teacher.

Y6 Heatree Residential

All final payments for Heatree should by now have been made. Please clear any remaining balances or speak to the office if you are having any problems.

Plymouth Aquarium Visit

This week our Year 1/2 children visited the Plymouth Aquarium. They had a fabulous journey through the various tanks, with the Sharks and Turtle as firm favourites. Each child enjoyed crafting their own habitat hat which they were able to wear home as a memory of their underwater experience.

Well done to CAIRB class who had 100% attendance last week.
